

An explanation of the application process from the Educational Affairs Group is available on W3 ([click here](#)).

Basically, these are the steps:

Step 1: Get the yellow "Application Form for Assignment of the Senior Thesis Advisor and Certification of Senior Thesis Research Candidacy" form from EAG (Educational Affairs Group in the 1st floor of the administration building).

Step 2: Visit me during office hours (no appointment necessary). Please bring:

- (1) the form
- (2) a copy of your transcript - so I can see what courses you have already taken
- (3) your academic planning essay - if you already have it written

Step 3: If our interests are a good match I will (i) sign your form (ii) add you to my e-mail group (iii) ask you to join my [senior thesis Moodle page](#) (iv) create a file including your transcript, academic planning essay and any ideas we discuss.

Step 4: Take the signed form and your academic planning essay to EAG.
